Merging Academics With Clinical Application In Membrane Medicine

June 17th, 2017
Cavendish Conference Centre, London

Includes: Extensive Biomedical Flashdrive, research, systematic clinical protocols, medical forms, patient dietary and supplement support, books and supplies

Nutrient dense food provided throughout the conference

Topics Include

- Clinical Therapeutics Towards Correction of Epigenetic Insult, Autoimmune Response, Mitochondrial and Peroxisomal Dysfunction in Neurological Disorders
- Forget the Guilty Genes, It’s all About the Lipid Membrane
- Clinical Strategies for Mitochondrial Respiration with Cardiolipin, Phospholipids; Primary Disease / Secondary Mitochondrial Dysfunction
- Rescue of the Brain on Fire through Lipid Mediators/ Resolvins & Protectins, Bioactive Lipids and control of PLA2
- Optimizing Cell Membranes, Organelles and Neurometabolism with Phospholipids and Bioactive Lipids in neuro involvement
Membrane Medicine Academic Symposium
June 17th, 2017 • The Cavendish Centre
22 Duchess Mews, London W1G 9DT

SATURDAY, JUNE 17, 2017

8:00 am 9:00 am  Registration and Power Breakfast
9:00 am 10:30 am  Membrane Medicine: A Phospholipid Approach to Illness – Patricia Kane, PhD
10:30 am 11:30 pm  Dancing on the Phospholipid Membrane – Edward Kane
11:30 am 12:30 pm  Epigenetics, Neurotoxicity, Clinical Strategies for the Brain on Fire – Damien Downing, MD
12:30 pm 1:30 pm  Membrane Stabilizing Lunch
1:30 pm 2:30 pm  Autoimmune Inflammatory Mediated Neurological Disorders – Yehuda Shoenfeld, MD
2:30 pm 3:30 pm  Membrane Medicine Clinical & Epigenetic Evaluation – Meinrad Milz, MD
3:30 pm 4:00 pm  Power Break, Let Them Eat Cake viva Paleo
4:00 pm 5:00 pm  Neurotoxicity in the Oral Cavity – Jose Mendonca, MD
5:00 pm 6:00 pm  Case Studies: Merging of Clinical Data, Epigenetics & Academia in Membrane Medicine
6:00 pm 6:30 pm  Questions, Answers, Brainstorming
